SUBJECT INDEX FOR VOLUME 17

A

Academic survey
  National Environmental Policy Act (NEPA), 313
Aesthetics
  environmental
    visual impact assessment, 249
Africa
  Lesotho
    Environmental Impact Assessment (EIA), 109

B

Biodiversity loss
  global impact assessment at sector and project levels, 227

C

Canal Laja-Diguillín
  Environmental Impact Assessment (EIA) in Chile, 53
Carbon dioxide emissions
  Denmark, 357
  global impact assessment at sector and project levels, 227
Chile
  Canal Laja-Diguillín, 53
China
  Guangzhou
    political economy of Environmental Impact Assessment (EIA), 371
Chlorofluorocarbons
  gaseous diffusion plants, 39
Citizens
  Environmental Impact Statements (EIS), 295
Coal-fired power plant alternatives
  Denmark, 357
Commitment
  escalation, 19
Communication
  citizens
    Environmental Impact Statements (EIS), 295
Conceptual foundation
  Environmental Impact Assessment (EIA), 79
Coolant system oerations
  global impact assessments, 39
Cooperation
  Environmental Impact Assessment (EIA) in Lesotho, 109
Cumulative impacts (CI)
  consideration in environmental assessments, 5
  documentation in Environmental Impact Assessment (EIA), 385

D

Danube Delta
  environmental and international water management, 145
Delphi approach
  impact assessment of improper effluent control systems in Saudia Arabia, 205
Denmark
  coal-fired power plant alternatives, 357
Design review
  procedural problems, 249
Dispute resolution
  Chile
    Canal Laja-Diguillín, 53
  Denmark
    coal-fired power plant alternatives, 357
Documentation
  cumulative impacts (CI) in Environmental Impact Assessment (EIA), 385
Drought
  public policy, 413

E

Earthquakes
  public policy, 413
Economic development
  environmental vs. strategic environmental assessment (SEA) role, 163
Editing principles
  Environmental Impact Statements (EIS), 295
Effluent control systems
  Saudia Arabia, 205
Electricity Generating Authority of Thailand
  organizational change and Environmental Impact Assessment (EIA), 329
Emission targets

G

Gas emissions
greenhouse
global impact assessment at sector and project levels, 227
Gaseous diffusion plants
chlorofluorocarbons replacement, 39
Gaza Strip
environment management, 65
Global impacts
assessment at sector and project levels, 227
assessment of coolant system operations, 39
Global warming
assessment at sector and project levels, 227
Greenhouse gas emissions
global impact assessment at sector and project levels, 227
Guangzhou
political economy of Environmental Impact Assessment (EIA), 371

H

Habitat loss
global impact assessment at sector and project levels, 227
Hydro-Quebec
commitment escalation, 19
Hydroelectric complexes
commitment escalation, 19

I

Integrated Assessment (IA)
effects, 221
Integrated Environmental Assessment (IEA)
effects, 221
International water management
Danube Delta, 145
Israel
latent time bombs and public policy, 413

J

Jeddah, Saudia Arabia
effluent control systems, 205

L

Latent time bombs
public policy, 413
Lesotho
Environmental Impact Assessment (EIA), 109

M

Mega-project development
commitment escalation, 19
Middle East
Gaza Strip
environment management, 65

N

National Environmental Action Plan (NEAP)
Lesotho, 109
National Environmental Policy Act (NEPA)
effectiveness survey, 313
Negotiation and dispute resolution
Chile

Canal Laja-Diguillín, 53
Denmark
coal-fired power plant alternatives, 357
Norway
Environmental Impact Assessment (EIA), 449

O

Organizational change
Electricity Generating Authority of Thailand, 329
Otsenka Vozdejstviya na Okruzhayushchuyu Sredu (OVOS)
evolution in Soviet Union and Russia, 177

P

Photosimulations
Environmental Impact Statements (EIS), 295
Polluter-pays
Environmental Impact Assessment (EIA) in Lesotho, 109
Pollution abatement
fuzzy cross-impact simulation, 427
Prevention
Environmental Impact Assessment (EIA) in Lesotho, 109
Public participation tools
Environmental Impact Statements (EIS), 295
Public policy
latent time bombs, 413

Q

Quality of life
fuzzy cross-impact simulation, 427

R

Regulatory agencies
political economy of Environmental Impact Assessment (EIA) in Guangzhou, 371
Russia
State Environmental Review (SER), 177

S

Saudia Arabia
effluent control systems, 205
Simulation
fuzzy cross-impact
Environmental Impact Assessment (EIA), 427
Socialist countries
previously
Environmental Impact Assessment (EIA), 449
Soviet Union
State Environmental Review (SER), 177
Spain
Environmental Impact Assessment (EIA), 123
State Environmental Review (SER)
evolution in Soviet Union and Russia, 177
Strategic environmental assessment (SEA)
uneven development of environment, 163
Survey
academic
National Environmental Policy Act (NEPA), 313

T

Thailand
Electricity Generating Authority of Thailand
organizational change and Environmental Impact Assessment (EIA), 329
Theory-building process
Environmental Impact Assessment (EIA), 79

U

Uneven development
environmental
State Environmental Review (SER) in Soviet Union and Russia, 177
strategic environmental assessment (SEA), 163
